

Discrimination Act of 1975, Americans with Disabilities Act of 1990, other applicable Federal laws, and Agency requirements related to occupancy and tenant eligibility.

(c) *Borrower responsibilities.* The borrower is responsible for cooperating fully and promptly with Agency monitoring activities. Agency monitoring activities do not diminish borrower operation and management responsibilities and do not relieve borrowers from any Agency requirements including, but not limited to, borrower requirements to comply with:

(1) The terms of all agreements with the Agency, including the loan or grant agreement, assurance agreement, loan resolution, promissory note, mortgage, interest credit agreement, rental assistance agreement, mitigation measures contained in the environmental review document, and workout agreement;

(2) The requirements contained in this part;

(3) The requirements of Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, as amended; section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Americans with Disabilities Act of 1990; and

(4) Applicable Federal, state, and local laws.

§ 3560.353 Scheduling of on-site monitoring reviews.

Generally, the Agency will provide the borrower prior notice of an on-site monitoring review and will conduct the on-site monitoring review in the presence of the borrower. However, the Agency may visit a housing project, without prior notice, to observe physical conditions, operations and management activities, or other borrower or tenant activities. In addition, the Agency may conduct on-site reviews without the presence of the borrower, the management agent, or other designated representative of the borrower.

§ 3560.354 Borrower response to monitoring review notifications.

The Agency will notify borrowers, in writing, whenever Agency monitoring activities result in deficiency findings or compliance violations. The moni-

toring review notification will describe the deficiencies findings or compliance violations and will specify a time period by which corrective action must be taken by the borrower. The notification will offer borrowers an opportunity to discuss the reported deficiency findings or compliance violations with the Agency and will explain enforcement actions that the Agency may take if corrective action is not taken within the time period specified in the monitoring review notification. When civil rights non-compliance is found, the State Civil Rights Coordinator or Manager (SCRC/M) will be notified. If voluntary compliance cannot be obtained, appropriate enforcement or remedial action will be taken.
